COLORADO DRUG STORE ROBBED; CASH REGISTER AND \$200.00 WERE TAKEN.

Using an auger for boring around the lock in the side door, a burglar Monday night gained entrance to the Colorado drug store, 220 Bourbon street. About \$200 in change and \$30 in checks were taken from the cash register. The burglar also stole the cash register, but it was found at 6 o'clock Tuesday morning on a vacant lot in the 2600 block on E. Main street. Finger-print expert will attempt to obtain valuable prints by examining the cash register.

The McManis Drug Store is among Dallas' progressive Negro concerns that are making good.

Dallas has gone wild over the great Pythian drive, we are making them by the scores every night. Willis, the man of a great purpose is a benefactor to humanity.

YOUNG DALLAS WHITE MAN GETS SEVEN YEARS.

Ahlene, Texas, Oct. 6.—A sentence of seven years was imposed upon James Lyon, Jr., of Dallas when he pleaded guilty in Federal Court this morning to a charge of misapplication of funds.

In response to Judge Wilson's question as what made him do it, he replied: "Drinking whisky."

Lyon was employed as a clerk in the Security National Bank at Dallas and was indicted for having taken and misapplied funds belonging to the bank. His case was transferred to Ahlene for trial, and upon his plea of guilty an instructed verdict of guilty was imposed. Lyon gave his age as 31 years.

Lyon was arrested here some time ago after he had been charged with theft of \$10,000 from the Security National Bank. He was arrested upon returning to his brother's home after an absence. P. M. Spencer of the Department of Justice lay in the weeds near the Lyon house all night waiting for Lyon when a tip was received that he would return here.

Lyon asked for immediate trial and said that he was ready to appear in court when arrested. He said that he did not have any of the money left.

RACIAL GRIEF UNITY IS BORN AMONG Y. M. C. A.

To Seek Removal of Cause of Conflict Between Whites, Negroes and Asiatics.

Atlantic City, Oct. 6.—The International Y. M. C. A. will throw the weight of its influence to a movement to establish better relations between racial groups in America. While the chief aim is to remove as far as possible, causes of conflict between white and colored races by bringing about a better understanding, similar efforts will be made to smooth out differences between Americans and Asiatics on the Western Coast and Latin and Anglo-Saxons in the industrial centers.

At an open session of the International Committee of the Y. M. C. A. at Hudson Hall, white and colored speakers urged equality of opportunity as the basis of harmonious relations between the white and Negro races. Presenting the point of view of the colored race was Major A. T. Moten, successor to Booker Washington as head of the Tuskegee Institute, who emphasized the importance of industrial education.

The chances of conditions throughout the world as the result of the war and how best the Y. M. C. A.

can meet these conditions were subjects of discussion at the morning session.

Discussions of the economic outlook disclosed that practically all of those in attendance were of the opinion that the bottom of the industrial depression had been reached.

ALLEN CHRISTIAN ENDEAVOR LEAGUE.

By Nolan H. B. Elliott, B. S. District President.

Sunday Oct. 2, we were with Rev. Glasgow at White Rock. We listened to a logical and inspiring sermon by the pastor at morning service. At the close of this service, we made a short talk in the interest of the league work, and arranged to organize the league in the afternoon. However, due to the inclement weather, the meeting was postponed. We will go back to White Rock, Sunday Oct. 16, 1921.

In the very near future, under the auspices of the combined leagues of the city, the play: "The Trial of the Robbers" will be presented. Watch for the date.

Sunday morning, Oct. 9, 1921, we will be at Carrollton, and in the afternoon of same date, at Lewisville. At both places we will speak upon the subject: "Christianity the Panacea for our Racial Wounds." Remember the slogan: "Dallas District expects every man and woman to do his or her duty."

BRANCH Y. M. C. A.

Many were the activities conducted last week among the boys and younger men. Although the foot ball games were not up to the standard. Many of the young men showed unusual interest in the game. Other some men of good morals and character are invited to join us.

Roy Garland, the healthy son of Mr. and Mrs. Garland, 2110 Clark Street, accompanied by the Y. M. C. A. Secretary took part in a program Wednesday, Oct. 5th, sponsored by the Y. M. C. A., as a noon luncheon at the Oriental Hotel. There were more than three hundred business men who were present. This is one of the efforts leading to the city wide building campaign.

Prof. J. W. Rice, spoke last Sunday at 4 p. m. to a interesting group of men upon the influence of Y. M. C. A. work. He greatly impressed them with the splendid address.

Sunday, Oct. 9, 1921, Dr. J. A. Featherston will speak at 4 p. m. Rev. Martin will conduct the song service.

Mr. W. C. Craver, International Secretary from N. Y. will be present at our great mass meeting Sunday, Oct. 16th. Has Mr. Craver on the occasion.

Mr. Max Yeargan, foreign work, General Secretary to Africa, will speak here Tuesday, Oct. 18, 1921 at 8 p. m. Hear this man who has given his life for the service of

men and boys.

Our financial campaign is Oct. 15-19, 1921, at which time our yearly budget will be raised. We wish to enlist the co-operation of all in this effort, as we have no other source of revenue than thru the subscriptions made by individuals and institutions that stand for high idealism. The ultimate ambition of these efforts is to have in Dallas a Y. M. C. A. building for the use of our men and boys which will compare favorably with other cities of equal size and importance.

Come to our Sunday men's meeting at 4 p. m., on the Hall St. Park. Think and pray for our success.

J. D. RICE, Executive Secretary.

WELL KNOWN DALLAS WOMAN DIES.

Mrs. Bell Coker Cassell, a prominent Dallas Fraternity woman died at her home, 2911 State street, Sunday evening at 10:30 p. m., of apoplexy of the brain.

Mrs. Cassell was en route to town last Monday, was a week ago, when all of a sudden became stricken with a stroke of paralysis and had to be carried home, a doctor was summoned and administered medical aid but in spite of this her condition grew worse; after which it was observed that the end was only a matter of hours.

She fought bravely against superior odds but her hopes were lost Sunday night about 10:30 o'clock she stroked up her sword and closed her eyes in death.

Mrs. Cassell was a member of the Loyal Fraternity of America, Heroines of Heroines and Courts of Calantha and a member of Mt. Rose Baptist church.

She is survived by a son and daughter, two sisters, Mrs. Parale Daniels of this city and Mrs. Sallie Valentine, of St. Louis, who arrived here last Saturday. Funeral services were held Wednesday afternoon at Mt. Rose Baptist Church.

GENERAL RACE WAR SEEMS ONLY MATTER OF TIME SAYS SOCIALOLOGIST.

Greeley, Colo., Oct. 6.—"Creation of a national will" which will overcome the obstacles of race antagonism will be the salvation of America, Dr. Edward A. Steiner, professor of sociology at Grinnell College, Iowa, told a class at the Colorado Teachers' College here.

"When the decay of the American race comes it will be through lack of spiritual rather than through lack of certain pure blood strains," Dr. Steiner declared.

"Our salvation lies in the creation of a national will which can overcome even the handicaps of race," he asserted. "Nations become what they will to be, and the maintenance of that will lies very much in the hands of the school teachers of our land. Our salvation depends upon a determination to live like the sons of God. This will save us more than the determination to keep our blood strains pure, a task that is impossible."

"We are Americans, and we have shown the world the miracle of the Stars and Stripes; now we must show the world the miracle of the Cross—the great spiritual triumph through which the world can be saved."

Dr. Steiner delivered a series of lectures here on the "Problems of Race."

Speaking on the World War, he said:

"The idealistic war aims were not realized, because it is not the nature of war to realize them. The world is not safe for democracy; neither has the earth been made a better place for men and women. Internationalism is consumed by a fierce nationalism, and the instinctive aspiration has all but crushed the desire for unity."

"The advance of the means of communication as a help toward cultural and spiritual unity has been checked by great chasms which opened suddenly between nations; also between neighbors and fellow citizens. As earthquakes after the face of the earth, so the war has created its own political, mental and spiritual geography."

Rising barriers between races are results of the World War, according to Dr. Steiner, who declared:

"In the United States the relation between blacks and whites is growing more tense, and a general race war seems only a matter of time."

"Our anti-Japanese and anti-Mexican attitude is more bitter because of the race factor. And an anti-Jewish campaign is on and may become a factor in national politics and business."

DALLAS DISTRICT NOTES.

By R. S. Jenkins, P. E.

Sunday was another off day. We went to Sanger, accompanied by the pastor, Rev. J. W. Willis, but the condition was so alarming, the people moving out, hunting that fleecy staple, and as there were no church going element in the city, therefore we left on the next train out. At Sanger we have a beautiful, well built frame edifice nicely painted; it is the best looking edifice of all the Negro churches in the city. Our hope and prayer is that after the season is over, that our people will return to Sanger.

Sunday we worshipped with Bethel A. M. E. Church, Dallas, and heard a powerful and most convincing sermon delivered by the euclidean pastor, Dr. J. H. Smith. It is indeed wonderful to see such glorious worshipers and how happy they get; but some of them think that others must bear the church burdens—like sheep, then give up some of the wool. When you do not contribute your part of the expenses, you then are a shirker.

Bethel's Dollar Money and Conference Claims have been raised 4 months ago. For 10! these many days Bethel has just been waiting for the roll call. Who can say as much?

Next Sunday we will be at St. James Temple A. M. E. church. Dr. C. W. Abington is the pastor.

Mrs. M. J. Booker of Waxahachie, Texas, departed this life Oct. 5, 1921. Funeral service in Joshua Chapel A. M. E. church, Friday Oct. 7, 1921. All sympathize with Rev. M. J. Brooks, the blind Evangelist. More will be said of the service later.
